Asset Policy

Hardware allocation, upgrades, damage, and return procedures

Version	v1.5
Document Type	Corporate Policy
Classification	Internal
Owner	Enterprise Knowledge Assistant
Effective Date	January 2026

7.3 Hardware Upgrade Requests

- Raise request via IT Service Portal: Request -> Hardware -> Upgrade.
- Approval chain: Manager -> IT Asset Manager -> Procurement (if cost > Rs 50,000).
- Standard turnaround: 5 business days from approval.
- Eligibility: laptop age > 3 years OR documented performance SLA breach.
- For RAM/SSD upgrades: approval only from IT Asset Manager.

7.4 Damage and Loss

- Accidental damage: employee responsibility up to Rs 10,000 deductible.
- Theft: FIR copy required for waiver; report within 48 hours.
- Negligence (e.g., liquid spill): full recovery at current book value.
- Loss in transit (during business travel): covered by corporate insurance.
- Damage report must be filed via IT Portal within 24 hours of incident.

7.5 Return on Exit

- All company assets must be returned on or before last working day.
- Includes: laptop, charger, mouse, keyboard, monitor, phone (if issued).
- IT clearance certificate required for full and final settlement.
- Unreturned assets are deducted from final settlement at replacement cost.
- Data wiping: performed by IT after asset return; certificate issued on request.
