Hybrid Work Policy 2024

Eligibility, work locations, and compliance requirements for remote work

Version	v2024.2
Document Type	Corporate Policy
Classification	Internal
Owner	Enterprise Knowledge Assistant
Effective Date	January 2026

Eligibility

- Roles graded L4 and below are eligible for up to 2 days/week remote work.
- Subject to manager approval and team coverage requirements.
- Roles requiring physical access (lab, data center, facilities) are excluded.
- New hires become eligible after completion of 90-day probation.
- Performance rating must be 'Meets Expectations' or higher in last cycle.

Approved Work Locations

- Remote work must be from the registered work location.
- International remote work requires additional Legal and Tax approval (min 2 weeks notice).
- Working from public networks (cafes, airports) is discouraged for Confidential data.
- Working from co-working spaces is allowed with prior IT approval for VPN configuration.

Equipment

- Company laptop with VPN configured is mandatory.
- Personal devices may be used only with MDM enrollment.
- Monitor and peripherals provided on request (one-time).
- Internet reimbursement: up to Rs 1,500/month on submission of bills.
- Home office setup allowance: Rs 15,000 one-time (after 60 days of hybrid work).

Compliance

- Maintain core hours: 10 AM - 4 PM IST.
- Attend all scheduled meetings from a quiet, professional environment.
- Adhere to InfoSec Policy v4 at all times.
- Webcam must be on for client-facing meetings.
- Non-compliance may result in revocation of hybrid work privileges.
